COMPANY PROFILE

FOREMOSTHAT—ALL CATEGORIES OF HATS WHOLESALE AND CUSTOM

Whether you prefer wholesale blank hats, or want to customize logos on hats, we can serve you quickly. Digitize all embroidery orders for free! Free virtual samples upon request. The MOQ is 48pcs/style.

Our customer service team is professionally trained to answer any questions you may have, including pre-sales inquiries and after-sales guarantees. It is here to help create a positive experience. Your satisfaction is our top priority.

OUR MANUFACTURE CAPABILITY

Foremost has been dedicated to manufacturing premium hats for over 26 years. We have offices in Asia and US, and 5 factories in Vietnam, Cambodia, and China.

Now we have 1,500+ employees, with an average monthly production of 1,600,000 hats and 400+ new designs per month, and we serve global customers.

Through the specialized division of labor and advanced management system, we can produce all kinds of hats for you, including baseball caps, trucker hats, bucket hats, straw hats, felt hats, beanies, etc.

OUR INNOVATION

Although we have 26 years of hat manufacturing experience, we don't stop there. For decades, we have continuously improved our R&D and design capabilities, product quality, and service capabilities and have become one of the most respected hat suppliers in the world.

We have more than 20 hat R&D designers and a complete fabric R&D team, and we develop and produce more than 8,000 hats every year. By continuously creating recycled, functional, and organic fabrics, we can make your hats more unique and fulfill your commitment to the environment.
