petwant

23 Years
One Commitment

An Over 20-Year Professor in Pet Industry

Established in 2003, founded in partnership with Petsafe, introduced the Three-Meal pet feeder.

With Manufacturing Facilities to Ensure the Production

Headquartered in Shenzhen and with 15000㎡ factory in Huizhou, from a small trading team to a staff of hundreds.

An Expert in 2 Core Product Categories

Has always specialized in smart pet feeders and pet water fountains, adhering to our guiding principle: “Design for what pets truly want."

petwant

2003

Founded in partnership with Petsafe, introduced the Three-Meal pet feeder

2009

Petwant trademark registered with a mission to source products that pets truly want

2014

Transitioned into an integrated R&D, manufacturing, and sales enterprise, establishing our own factory and taking on ODM projects.

2020

Entered major offline retailers including Sam's Club, Haier, and Midea.

2022

Collaborated with Royal Canin the Pet Food Industry Leader in the world

2023

Launched 10 new products and capture the top market share in the wet food feeder market

2024

Launched the world's first patented cage feeder.

2025

Achieved a breakthrough offline order of 1M units, and expanded into the large-dog market with the W14 Dog Fountain and F12 Food Storage Feeder.
