QLQ FACTORY

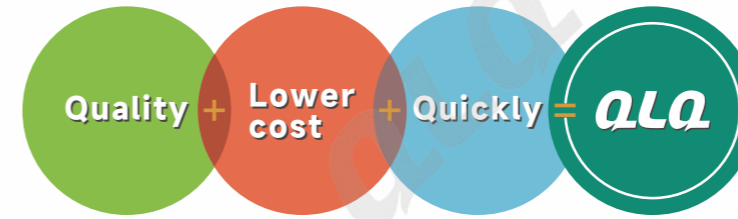

Honest, Trustable, Responsible

Factory & Workshop

After-sale Service

QLQ OFFICE

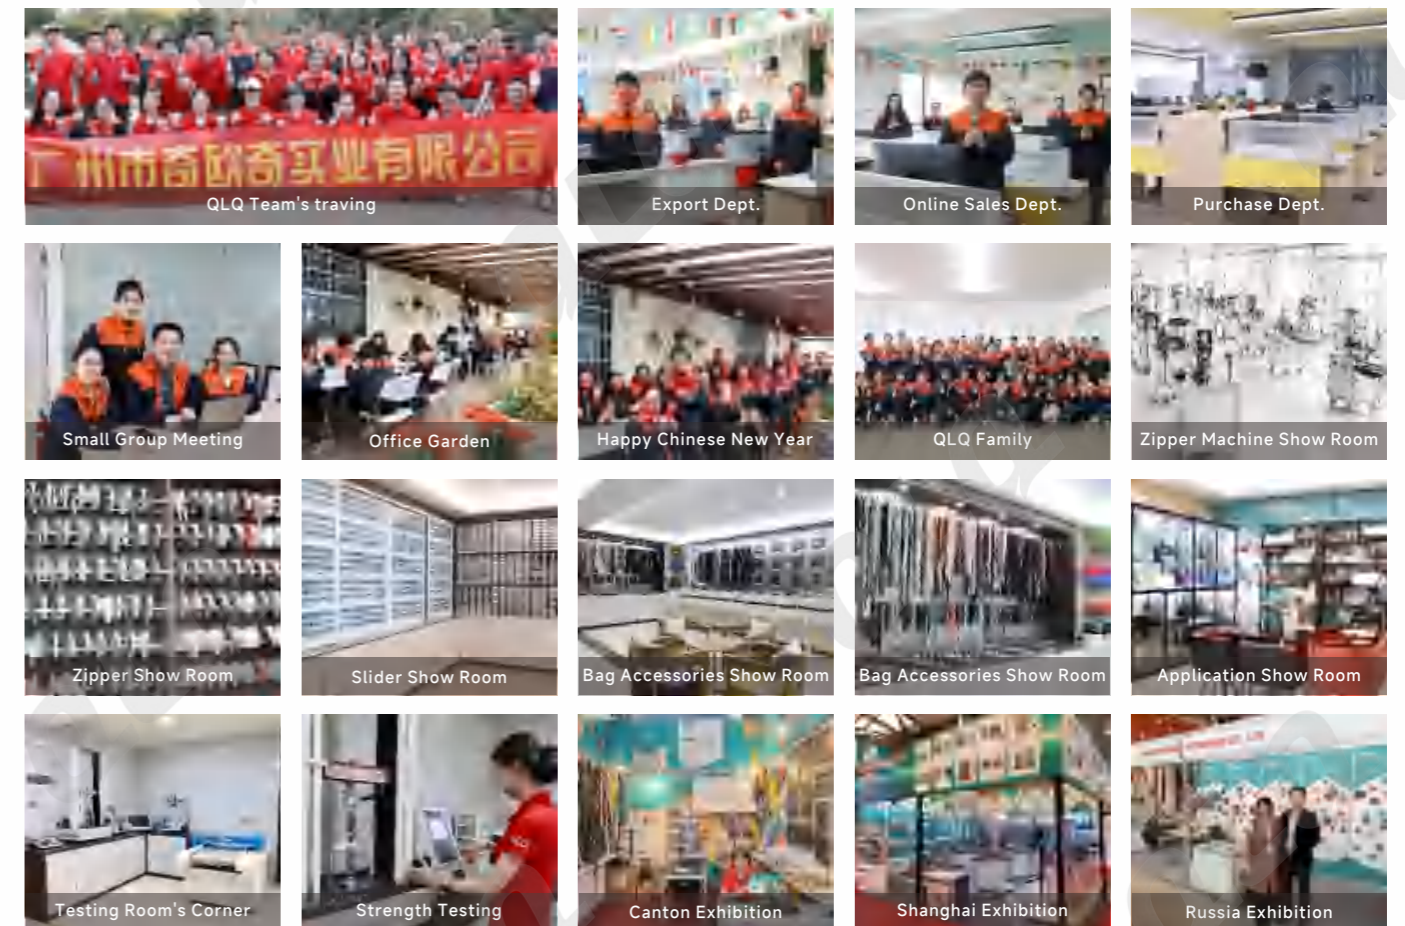

QLQ is located in Shiling Town, Guangzhou. With the experience of making high-quality zipper & slider machines and providing production solution for more than 20 years in the zipper industry, QLQ has its owned zipper machines, moulds, sliders and zippers manufacturing factory. It also provides a whole set of solutions for manufacturing buttons and bag accessories to customers in the world. The products cover machines, moulds, related raw materials and technical support. If customer wants to set up a zipper factory, slider factory, button factory or bag accessory factory, QLQ can assist customers in producing the market-orientated products from start to finish successfully, including planning workshop, choosing suitable raw materials, optimizing process, reducing the producing cost, training technician to operate and maintain machines, etc.

Upon its business principle of "Quality + Lower Cost + Quickly", QLQ continuously strengthens quality inspection and controlling, improves production technology, enhances efficiency and lowers purchase cost & production cost for customers, to assure they can obtain more customers.

With three-win idea, QLQ wins trust, praise, high reputation and influence in the industry from global customers. At present, its business covers over 60 countries and it has established long-term and stable cooperative relationships with more than 500 manufacturers and distributors of garment & bag accessories.

Thanks for your constant support and trust! QLQ will continue to integrate market resource, strengthen supply chain, expand diversified sales and service channels, at the same time enhance its core competitiveness, strive to become "a globally famous integrated supplier for garments & bag accessories".
