

# Installation Instructions

1

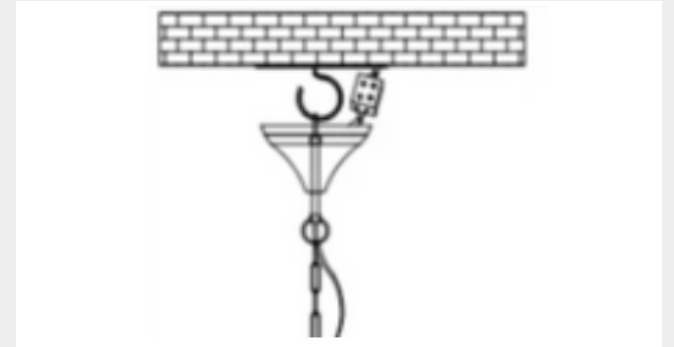

Thread the thread into the hole

2

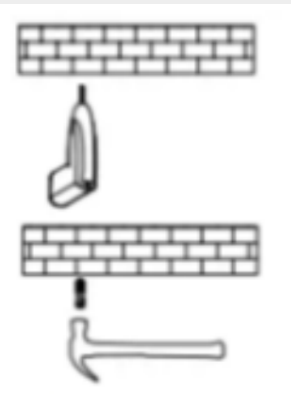

From the end of the thread Insert the washer/nut and tighten it

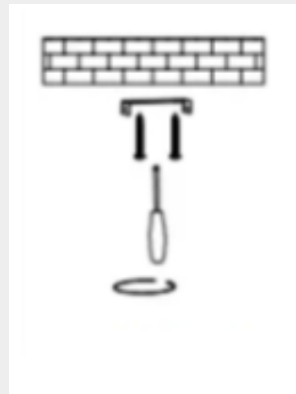

3

Screw on the wooden fittings

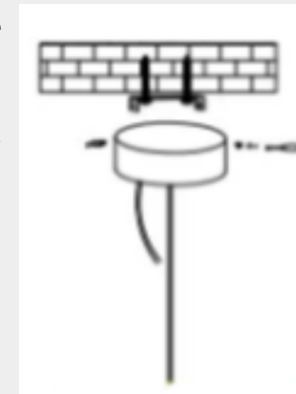

1: Drill the mounting holes according to the ceiling of the suspension plate.  
2: Hammer the expansion tube into the mounting hole.

Secure the suspension plate to the ceiling with screws.

The power cable and lamp wire are connected, and the connection must be firm, no wrong connection.

Insert the wire and terminal into the ceiling cup and connect the ceiling cup and the hanging plate with screws.

## THE LAMP INSTRUCTION
