Christmas Candy Stand

Tips of assembling

- All the information for the instruction is shown in minimum.
- Please assemble the parts in an auxiliary tool for stirring. Glue needs self-preparation.
- Please do not unseal the double-sided tape repeatedly, considering its initial tack.
- Only the tool icons appear in the assembly step.

Part number illustration

Refer to the part number page. Find the piece, and then assemble it. Note: The part number page is after self-leverage. Only for wooden pieces marked with ⊕

Part list illustration

1. Connect part bag and the part list before assembling to ensure all parts are included.
2. Please check the part list carefully before assembling the kit, and prepare the tool with the assembly instruction for a fast assembling.
