

Use and Care Instructions

PLEASE READ USE AND CARE INSTRUCTIONS IN ITS ENTIRETY
PRIOR TO SETTING UP AND OPERATING YOUR RETROLIFE PRODUCT

NOTE: As with any electronics maintenance, always unplug the unit from the power outlet to prevent the risk of electrical shock.

The Retrolife UD007 is a modern Bluetooth FM turntable with a built-in speaker for a versatile music experience. In order to ensure that you can enjoy the wonderful music brought by this turntable for a long time, here are some suggested use and maintenance methods:

1.Placement:

Place the UD007 turntable on a solid surface and keep it at a proper distance from other electronic devices to avoid interference and resonance. Avoid placing the turntable in direct sunlight, high temperature, humidity or dusty environment to protect its appearance and internal structure.

2.Using the stylus:

Please make sure the stylus is in good condition before use, avoid using old and worn stylus, so as not to cause damage to the record and affect the sound quality. Check the stylus regularly for wear and replace as necessary.

3.Record storage:

Before playing the record, please check whether the record is clean, if there is dust or dirt, use a professional record cleaning tool to gently clean it. When you're done playing, store your records in their sleeves or racks out of direct exposure to dust and sunlight.

4.Adjusting the speed:

UD007 supports playback speeds of $33\frac{1}{3}$, 45 and 78 revolutions per minute (rpm). When playing records with different RPM, make sure to adjust the RPM switch to match the record's requirements for the best sound quality.

5.Cleaning and Maintenance:

Regularly clean the exterior surface of the vinyl record player and the acrylic cover, wipe with a soft, clean cloth, and avoid using cleaners containing alcohol or corrosive substances.

6.Use Bluetooth function:

UD007 is equipped with Bluetooth function, which can be connected to smart devices to play digital music. When using the Bluetooth function, please ensure that the connection with the device is stable, and avoid signal instability caused by excessive distance or obstacles.

7.FM radio function:

UD007 is also equipped with FM radio function, please make sure the antenna is well connected and adjust to a clear radio frequency to get the best listening effect.

8.Avoid overuse:

While the UD007 is designed to be durable, to prolong its life, avoid overuse of turntables and speakers. After each use, please turn off and unplug the power plug.

9.Maintenance of the power cord:

Regularly check whether the connection of the power cord is firm, and avoid the power cord from being stressed or twisted to ensure safe use.

Follow these usage and care recommendations and you'll be able to enjoy the versatile music experience of the Retrolife UD007 for a long time to come. Make this entry-level modern Bluetooth FM turntable with built-in speaker a great addition to your music life.
