Microyang Electronics Technology Ltd

Microyang Electronics Technology Ltd is located in 2F, 19Bldgs, Lianchuang Tech Zone in ShenZhen , one of best high-Tech Industrial park, beside the international Jewelry park. Which cover around 1600m².

There are more than 120 capable people, including 11 engineers. It' seasily accessible location and excellent industrial surrounding have contributed much to its advantages for development.

Power Bank(PAH-101A)

- High quality grade A battery
- Materials: ABS Rubber with UV
- Battery type: Li-Polymer battery
- Type-C Input: 5V/2.0A Micro Input: 5V/2.0A
- Output: 5V/2.1A
- Size: 112.7x49.5x22mm
- Weight: 195g
- Compatibility: 99% OF SMARTPHONES AND TABLETS
