Microyang Electronics Technology Limited

Microyang Electronic Technology Limited is a large comprehensive company which integrates the design, R&D, manufacturing, sales and services in USB Flash Drive and other computer peripherals. At present Shenzhen Microyang has nine connected subsidiaries including Shenzhen Microyang Printing House, Mould Factory, Electronic Materials Factory, Plastics Factory and Screen Printing Factory etc.

In the recent years, Microyang has implemented the strategy of leading with science and technology, regarding quality as the life and talents as foundation and the strategy of training talents and has maintained the independent creativity. Microyang was certified with ISO 9001 in 2001, ISO 9001: 2000 in 2003, ISO 14001: 2004 in 2005. In 2006, all Microyang products will pass WEEE & RoHs directives.

Looking back reveals the twists and turns in the past 10 years and looking into the future expects even greater achievements. 10 years see the diligence of Microyang staff in starting the undertaking and every step indicates the wisdom and the perspiration and witnesses the development of Microyang.

Microyang's development results from your loyal support. Microyang's future still needs your advancing together.
